- Great Ideas for AdBoards**
1. Display one in your office customer waiting area.
 2. Bring on all your listing appointments. Put it up on the kitchen table when you discuss your marketing programs. (Sellers are very impressed!)
 3. Set one up on the table in your conference room before you meet with buyers.
 4. Do you know someone who owns a business? (Restaurant, health club, car dealer etc.) Ask if you can display your AdBoard there.
 5. Display an AdBoard by the property flyers & sign-in sheet at your open houses.
 6. If you are a home builder, display an AdBoard at your model homes or sales trailer.
